

## Hello

### My name is Dechen Tshomo,

I have good communication skills. I am creative when working with a team, and good at listening to customers and finding solutions to their needs. I can do social media marketing and page management. I can adapt to any kind of workspace and am used to working under pressure. I have worked as social media manager for a few startups. I am a fast learner and digital enthusiastic. I love meeting new people and learning new things.
