I am very hardworking and dedicated to given task, I am goal oriented. I was very different from my mates since my school days and till date.

I do things in very different way even a very difficult thing, I try to solve in very simple way.

Hobby

To watch Hollywood movies as I am very poor in reading short story, novels and journal books. I love listening to mighty 90's songs at a very loud volume while I drive for long journey.

Skills

I have learned a lot about livestock farming through various trainings provided by Ministry of agriculture and forest and Chhukha Dzongkhag. Got a chance to visit various cold and warm water fishery in Bhutan which include National Aqua Center for Aquaculture in Gelephu, National Research Center for Riverine and Lake fisheries in Haa and many more across the country.

I got driving license and I can drive so well which include two wheeler, light vehicle, heavy vehicle and an excavator at the work site. I have good IT knowledge, I can type Dzongkha as well. I have good PR (public relationship) and build good relationship with all kinds of people at any place.

Marital status

I am married and have two kids, one son and one daughter. Elder son is two and half year and younger daughter is six months old.

Qualification

Diploma in Tourism and Hospitality from Royal Institute for Tourism and Hospitality, Motithang; Thimphu : Bhutan. Specialize in tourism management in the year 2016

BHSEC from Kuendrup Higher Secondary School, Gelephu in the year 2013 with commerce background.

Work Experience

I worked as a sales manager for O Globo Bhutan for southern region at Gelephu for six months in the year 2014

I worked as a purchase assistant manager at Le Meridien Paro, Riverfront from September 2016 to July 2018.

I worked as a freelance tour guide for three months before the COVID-19 for keys to Bhutan and Rainbow Tours and travel in Thimphu.
